Photography – Fundraising for Ecuador

We have invited 16 year old **Zahra Hall** to take photographs for us tonight. Zahra recently won the award of **West Berkshire Young Photographer of the Year** and is raising funds to travel to Ecuador for the whole of summer 2017.

After taking her GCSE examinations Zahra will be working on a community project in Ecuador to help build a school and to teach local children. She will then go on to work on a number of ecology projects in the Amazon rainforest.

You can view Zahra's portfolio of work and help her fundraising efforts by ordering copies of her photographs from her website at:

<https://photosbyzahra.wordpress.com>

The photographs are available in various sizes with prices from as little as £20 – an original Christmas present perhaps?
