Apollo5

The British a cappella ensemble Apollo5 has been praised for its engaging and entertaining performances. With a repertoire ranging from retro jazz, pop and classical arrangements to Christmas a cappella, they are adept performers on the concert platform, at festivals, private parties and corporate events.

The group performs across the UK and internationally and will make their first visit to China in August 2016 with concerts in Taipei.

Apollo5 is part of the VCM Foundation, and is involved in its innovative education programme aiming to inspire creativity through music. The programme, led by VOCES8, reaches 40,000 young people annually, working in over 300 schools in the UK, France, Sweden, the USA and Asia.
