Christmas recording

Did you see the wonderful Christmas recording of [Have Yourself a Merry Little Christmas](#)? If not, it's not too late. Beautifully edited by Ann and lots of familiar faces in festive outfits.

What you can look forward to this term

With specially recorded backing tracks and opportunities to contribute to recordings (for those that want to), our online sessions are a welcome chance to get together and sing. Over the next few weeks we will be singing:

- **Amid the Falling Snow** – opportunity to record this month ([download score](#))
- **Shenandoah** – an old favourite with the opportunity to record in February ([download score](#))
- **Vivaldi – Domine Fili** – a lively and fun piece and new to anyone who hasn't sung the full Vivaldi Gloria ([download score](#))
